

## HISTORIC AMERICAN ENGINEERING RECORD

### INDEX TO PHOTOGRAPHS

FIREBOAT EDWARD M. COTTER

HAER NY-345

(W.S. GRATTAN)

(FIREFIGHTER)

(Engine 20)

Moored on the Buffalo River at 155 Ohio Street

Buffalo

Erie

New York

Photos taken by John Tagiuri (JT) and Todd Croteau (TC) , 2008

### INDEX TO BLACK AND WHITE PHOTOGRAPHS

NY-345-1	Exterior view of fire station. Fireboat EDWARD M. COTTER can be seen in the background at right. TC
NY-345-2	Exterior view of fire station from the water side with COTTER tied to pier at left. TC
NY-345-3	Starboard elevation with fire station in background. TC
NY-345-4	Starboard elevation. JT
NY-345-5	3/4 view from stern looking forward along port side. Grain elevators in background. TC
NY-345-6	View from stern looking forward along starboard side. Lift bridge and grain elevators in background. TC
NY-345-7	3/4 view from bow looking aft along port side. JT
NY-345-8	3/4 view of foredeck and pilothouse with water cannons. JT
NY-345-9	3/4 view detail of foredeck and water cannons. JT
NY-345-10	Port side view of pilothouse. JT
NY-345-11	Port side view midship with water manifolds below and exhaust stack above. JT
NY-345-12	Port side view of aft water cannon mounted on hydraulic raising platform. TC

FIREBOAT EDWARD M. COTTER  
HAER NY-345  
INDEX TO PHOTOGRAPHS

NY-345-13	Starboard side view of aft water cannon in lowered position with fire station in background. TC
NY-345-14	Same view with platform raised slightly. TC
NY-345-15	Detail of aft water cannon from port side. TC
NY-345-16	Detail view of foredeck and pilothouse with water cannons. TC
NY-345-17	Detail of water cannon on starboard side foredeck. JT
NY-345-18	Interior view of pilothouse showing bridge with ships wheel. TC
NY-345-19	Interior of deckhouse showing crew lounge below bridge. TC
NY-345-20	Interior of pilothouse showing galley aft of lounge. TC
NY-345-21	Interior of engine room looking aft towards propulsion/pump engines. JT
NY-345-22	Detail of engine. JT
NY-345-23	Detail of engine with water pump located at left. JT
NY-345-24	Detail of gauges in engine room. JT
NY-345-25	Detail of engine controls. JT
NY-345-26	Detail of aft engines with electrical generators in foreground. JT
NY-345-27	Detail of aft engine showing transmission control box. JT
NY-345-28	3/4 detail of main water valves. JT
NY-345-29	Elevation detail of main water valves. JT
NY-345-30	Detail of hull construction in aft quarter of the hull (port side). JT
NY-345-31	Underway view from starboard side in the Buffalo River with grain elevators and lift bridge in background. TC
NY-345-32	Underway view from port side in the Buffalo River with water cannons spraying. City of Buffalo in background. TC

INDEX TO COLOR TRANSPARENCIES

NY-345-33 (CT)	Starboard elevation.
NY-345-34 (CT)	3/4 view from bow looking aft along port side. Similar view as NY-345-7.

FIREBOAT EDWARD M. COTTER  
HAER NY-345  
INDEX TO PHOTOGRAPHS

NY-345-35 (CT)	3/4 view detail of foredeck and water cannons. Similar view as NY-345-9.
NY-345-36 (CT)	Port side view of pilothouse. Similar view as NY-345-10.
NY-345-37 (CT)	Port side view midship showing manifolds below and exhaust stack above. Similar view as NY-345-11.
NY-345-38 (CT)	Port side view of aft water cannon mounted on hydraulic platform. Similar view as NY-345-12.
NY-345-39 (CT)	Starboard side view of aft water cannon in lowered position with fire station in background. Similar view as NY-345-13.
NY-345-40 (CT)	Detail of water cannon on starboard side foredeck. Similar view as NY-345-17.
NY-345-41 (CT)	Detail of water cannon.
NY-345-42 (CT)	Interior of engine room looking aft towards propulsion/pump engines. Similar view as NY-345-21.
NY-345-43 (CT)	Detail of engine. Similar view as NY-345-22.
NY-345-44 (CT)	Detail of engine with water pump located at left. Similar view as NY-345-23.
NY-345-45 (CT)	Detail of aft engines with electrical generators in foreground. Similar view as NY-345-26.
NY-345-46 (CT)	Detail of aft engine showing transmission control box. Similar view as NY-345-27.
NY-345-47 (CT)	3/4 detail of main water valves. Similar view as NY-345-28.
NY-345-48 (CT)	Detail of hull construction in aft quarter of the hull (port side). Similar view as NY-345-30.
NY-345-49 (CT)	Tool box detail, engine room.
NY-345-50 (CT)	Detail of gauges, engine room. Similar view as NY-345-24.
NY-345-51 (CT)	Detail of engine controls. Similar view as NY-345-25.
NY-345-52 (CT)	Underway view from starboard side in the Buffalo River. Similar view as NY-345-31.

FIREBOAT EDWARD M. COTTER

HAER NY-345

INDEX TO PHOTOGRAPHS

NY-345-53 (CT)	Underway view from port side in the Buffalo River with water cannons spraying. Similar view as NY-345-32.
NY-345-54 (CT)	Detail of water cannon in use.
